West Chiltington Ladies is a new idea that aims at getting the lovely ladies of this fine village together once a month for 'a good night out', an opportunity to meet up for a jolly good gossip, making new friends and keeping old ones and helping to keep a sense of community within us. We held our first ladies night here on Thursday the 21st January and it was a great success.

21 ladies came along to enjoy a 2 course meal and catch up with each other. We've already got lots of ideas for future months such as trips to the theatre, theme nights, music and BBQs.

The current plan is to meet on the 3rd Thursday of each month and providing that you are a lady living in West Chiltington you are very very welcome to join us.

If you would like to come along then all you need to do is ask for Siân at the bar and give her your details.

The next ladies night is scheduled for Thursday the 18th February. We hope to see you there!

Vilfest 2010, following the success of last years West Chiltington Village Festival (Vilfest) we are very happy to announce that it will take place again in 2010 on the weekend of 4th, 5th and 6th of June.

We will be hosting the 2nd annual West Chiltington Beer Festival plus offering food from our restaurant, outside BBQ and live music throughout the day.

If you are in a local band and would be interested in playing a short set here on the Saturday please ask for Siân at the bar and she will be happy to discuss it with you.

Other attractions include:

- The Village Trail, taking you in and around beautiful gardens in WC
- West Chiltington Village School, which is entering Sussex in Bloom, will open for visitors to view their new allotment garden and upgraded Windmill Gardens
- Exhibition of Wedding and Christening gowns in St Mary's Parish Church, for which contributions are invited
- The ABC Animal Sanctuary will also be opening its gates for the weekend

Ideas are also afoot for opening up a private woodland trail and another resident has offered to open his historic barn for an exhibition of his paintings. We would also like to open up the Village Hall, which it is hoped will provide a focus for events on the Common side of the village and we would love to hear from anyone who would be willing help out over the weekend.

You can find out more from Judy and Bruce at the Post Office Stores, from Siân at The Queens Head or in Church on Sunday., Alternatively please contact info@vilfest.co.uk or call Pat on 01798 813198. Free Ski Machine. Phil's fitness regime simply isn't what it used to be what with running the pub and all so we are happy to offer a ski machine to anyone who would like to come and take it off our hands and hopefully put it to good use. If you would like it just ask for Siân or Phil at the bar.

Don't forget, we have free WIFI access – just ask one of the team for the password
